

# Victorian State Election 2018 candidate policy survey

Response ID:8 Data

## 1. (untitled)

---

**1. Please enter your unique candidate identifying code**

**2. Your name and position**

**3. Email address**

**4. A phone number we can contact you on**

**5. Will you commit to a Treaty process led by First Nations peoples?**

Yes

**6. If you answered yes, please provide further details.**

I believe a treaty with the indigenous Australians is overdue and as the only remaining Commonwealth nation to not have a treaty with its indigenous population, this needs to be rectified. Such a treaty should recognise the history and occupation of Australia by Indigenous people, offer reparations for historical injustices and establish mutual goals for the future.

**7. Are you committed to multiculturalism, equality and inclusion?**

Yes

**8. If you answered yes above, please explain how?**

Although we are a political party founded on the platform of respect and dignity for non-human animals, we also support the equality and inclusion for all humans.

**9. Will you propose policies that will prevent discrimination in the policing and legal system?**

No

**10. If yes, what are those policies?**

We are a political party dedicated to ending animal cruelty so although we would not directly propose policies for the prevention of discrimination, we would likely support them.

**11. Will you implement serious penalties for discrimination in hiring practices?**

Yes

**12. If yes, what are those policies?**

We do not have written policies on discrimination in hiring practices but we would likely support serious penalties for any form of unlawful practices in hiring.

**13. Will you implement policies that will ensure migrants' prior work and study is fairly assessed and recognised?**

No

**14. If yes, what are those policies?**

We are a political party dedicated to ending animal cruelty so although we would not directly implement policies that ensures migrants prior work and study is recognised, we would likely support them.

**15. Will you ensure services like health and education are easily accessible to people from Non-European backgrounds?**

Yes

**16. If yes, what are those policies?**

Our policies published on our website are focused on improving the health and education of people where these impact animals such as a greater focus on plant based eating and eliminating animal testing in education. We do not discriminate based on background and would likely support these services being easily accessible to all people.

**17. Will you implement programs that will ensure fair representation of people from Non English Speaking Backgrounds in Parliament, Government, and the media?**

No

**18. If yes, what will those programs be?**

We are a political party dedicated to ending animal cruelty so although we would not directly implement these programs, we would likely support them.

**19. Will you provide more investment in multicultural media, and multicultural arts and culture?**

Uncommitted

**20. If yes, please provide further details.**

**21. Will you guarantee that candidates from your party will not associate with extreme racist groups like Antipodean Resistance, True Blue Crew, Reclaim Australia, or United Patriots Front?**

Yes

**22. Will you guarantee that candidates from your party will not single out or vilify communities on the basis of race, religion, or language?**

Yes
